## Statement from the Organising Committee of SunFest Regarding SunFest 2020 and the COVID – 19 virus

In light of the recent announcement by COAG and the Australian Chief Medical Officer that all events with more than 500 people in attendance be cancelled, the SunFest Organising Committee has no choice but to postpone our 2020 festival.

Our priority is and has always been the safety of welfare of our community, SunFest is a celebration of Sunbury and all that is great about our town and we would never want to put the health of our friends, family and neighbours at risk.

We are proud to be one of the last 100% volunteer run community festivals in Victoria and this decision is heartbreaking to our committee, those who have poured their heart and souls into making this event happen for YOU.

We would like to apologise to anyone who may be impacted by this decision, it is however simply not possible for our event to continue in light of the recent news.

Our committee is actively exploring options to reschedule or hold an alternative event, we hope to have more to share on this once the situation settles down.

SunFest has always received the overwhelming support from our community and our volunteer team are immensely grateful for your understanding and support.

Thank you

**Shona Davie**
